High-Performing teams strategically review and reflect on their progress towards reaching Long-Term and Interim Outcomes using multiple sources of data.

At the Checkpoint, teams evaluate whether they met their team’s performance goal and Outcomes. If goal(s) were met, team members celebrate success and discuss replication of best practices. If goal(s) were not met, team members discuss changes that need to occur and adjust the action plan accordingly.

Team instructions.

- Enter the Team Performance Goal, Interim Outcome(s) and Long-Term Outcome.
- Document if the goals were met or not met.
- Enter any necessary adjustments to the action plan, if applicable.
